Young evangelists transforming their world (Gilbert) (Sept-Oct p 14)
Youth keep prayer vigil for victims, survivors (Kilmer) (Mar-Apr p 6)

OUR BISHOPS:
LEADING. RESPONDING. NURTURING.

"As a bishop, I want whatever God wants for our pastors and our churches. I am learning to practice ministry in new ways, leaning on the collective wisdom of the body of Christ, even more so than when I was in the local church. [Being a bishop] is more about ministry than about meetings. It's helping pastors lead so their lives can be filled with spiritual overflow."

— Bishop Richard J. Wills Jr., Nashville Area
